

We, the students fighting for a state and quality full university who have lock ourselves in the UB (Universitat de Barcelona) historic building - *La central*- , are calling out for the solidarity and support from all social movements, collectives, associations, neighborhood, asking you to join the attached manifesto and actively take part on alternative university activities.

We are sure that our fight is your fight!

How to participate:

- Proposing activities for an alternative university.
- Moving the emplacement of your activities, assemblies and working meeting to the squatted university. (We have enough place for everyone!)
- Attending to activities that take place here.  
(<http://tancadaalacentral.blogspot.com>)
- If you have enough time and energies, come to spend the night with the mates lock in La central
- Bringing any file related to the sit-in against Bologna's process (graphics, media reports, links, etc.)
- Telling everyone all that is going on here.

IF WE 'RE VICTORIOUS WITH THIS FIGHT, WE ALL WIN!!

Claim's Summary:

We, the undersigned, support the student's fight in order to accomplish the following goals:

-To set up an open, wide and public process where broad social agents could participate in order to decide and determine what kind of state university model does Catalan society want and need, and economic resources that the University will have at its disposal.

- To cancel the judiciary disciplinary proceedings that have been brought against the 31 mates from UAB (Univesitat Autònoma de Barcelona) that fought to defend the state university.

-To hold a referendum in each Catalan state university on European Space for High Education implementation.
